Policy

We will utilize technology in the classroom on a regular basis. Cell phones are discouraged. Tablets and laptops work best for educational purposes. If your child does not have a device, technology will be provided at school.

- class materials

- 1 blue 2-subject spiral notebook
- 1 blue folder with pockets and prongs
- 2 handheld tape dispenser
- Skinny dry erase markers

- preparation

- 1 Come prepared to class with your math notebook, math folder, agenda, pencil pouch and a book to read!
- 2 Immediately take out your homework and stamp sheet to be checked and write down any new homework assignments in your agenda
- 3 Work should be turned in on its due date. Late work will lose points on a per-day-late basis (10% per day).

responsibility

Grades will be updated on PowerSchools biweekly. Students and parents -- please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If you are absent, you are responsible for completing your make-up work (one day for make-up for each day absent).

Makeup assignments can be acquired upon returning to school or via email.
